2020 NAPA VALLEY CABERNET SAUVIGNON

94
POINTS

“Don’t believe blanket proclamations about there being no Napa Valley red wine from 2020. Offerings might be few, but there are still examples worth seeking out. This is spot-on Cabernet from the Merlot masters, with classic regional profile showing on the generous side, with nice herb character folded in. Approachable now, and age-worthy as well, with no ‘fire sign.’”
