## 2022 NORTH COAST SAUVIGNON BLANC

# 93

# POINTS

“This crisp and savory white wine is a product of California’s northern regions, whose appellations include Sonoma County, Napa Valley, Lake County, and Mendocino County. A small percentage of Sémillon (less than 10%) adds interest and complexity to this Sauvignon Blanc. Fermented and aged in both stainless steel and new French oak, the wine offers ripe citrus and tropical fruit flavors, along with refreshing acidity and a subtle but palate-pleasing silkiness to the texture.”

- Marguerite Thomas, *Wine Review Online*

## 2022 NORTH COAST SAUVIGNON BLANC

92  
POINTS

“Blending with just under 10% Sémillon gives this bright Sauvignon Blanc a touch of roundness and body. Aromatics of lean stone fruits, lime zest and cut grass. The palate is amply textured; smoky flint minerality underscores the palate framing candied lemon peel, pineapple and bruised apples.”

- Clive Pursehouse, *Decanter*

## 2022 NORTH COAST SAUVIGNON BLANC

# 91 POINTS

“Lots of pear and apple puree with hints of flowers and citrus. Tropical fruit undertones. Medium to full body with melon and hints of pear. It is dense yet lively. Nicely framed. Sourced mostly from Napa and Sonoma with some Mendocino and Lake County. A blend of Sauvignon Blanc and Sémillon.”
